

MEKUSTANAGER

An architect that understands government needs

- Over 16 million square feet of government space planned to date on over 400 projects for more than 75 government agencies.
- Measurement accuracy within 1% margin of error.
- Experience with government standards, offices, courtrooms, correctional facilities, laboratories, and personnel, biological and blast security requirements.

"There are two or three people that I have worked with in my career that are able to really work with government and understand their issues, needs and processes. Roger Hastings [Mekus Tanager's GSA and government Project Manager] is one of those people."

-Ann Tomlinson, MB Real Estate
